

Relief Midday Supervisor Vacancy

We are looking for someone special, who loves working with children, to become a Relief Midday Supervisor at our school.

We are seeking a friendly and enthusiastic person to become part of our team of mid-day supervisors in order to provide the best quality care for our children over lunchtimes. We see lunchtimes as an important part of a child's day and are committed to ensuring that they are fun and informative. We are looking for someone with commitment and initiative to help organise lunchtimes so that our children are active and happy, whilst also recognising the importance of learning about healthy food choices.

Simmondley Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Therefore, the successful candidate will be required to undergo an enhanced DBS check and other vetting procedures including the provision of two good references.

If you are interested please email the school for further information and an application form.
