## Simmondley School Parents' Association

As a PA we have lots of exciting events planned for the next few months and into the summer.

### FUNDRAISING UPDATE

The two Christmas events were a huge success. A massive thank you for all the amazing hamper donations and for supporting the disco.

The two events raised whopping £2240 and this will be all be used to benefit all our children in school.

### FUNDRAISING GOALS

Our fundraising goals for this year are:

- To buy an interactive screen to be used in school during assemblies and to support the learning of smaller groups of children.
- To contribute towards new playground equipment and provide information/interactive boards for the outdoor spaces.

The two Christmas events wouldn't have been possible without the support of the amazing PA committee and volunteers.

We are a friendly group, who meet every couple of months and always welcome new volunteers. If you would like to join the PA or can support at any of the events, please have a chat with one of us at our next event or get in touch using the details below.
